Come back
Come back
Come back
Get away from
Come back
Come back
Come back
Get away from
Come back
Come back
Come back
Get away from me
Me! Me!

Bad boys come around
Got strange ideas in their heads
Think I want to go to town
Think they'll get me in their beds
They don't know what momma told me
Bout bad boys and bad girls
They don't know

Good boys come around
Got these ideas in their heads
Think I wanna settle down
Think they'll marry me to bed
They don't know what momma told me
Bout good boys and bad girls
They don't know
